

Welcome to the website for the American Bouvier des Flandres club!

This is an ongoing and ever-evolving process and I appreciate any and all suggestions, additions, and corrections needed to make this site informative and user friendly. If you find any errors, please email me at cambouvier@wowway.com with the specific page and correction needed. Keep the updates and new information coming my way so we can keep our ABdFC website up to date.

The "Members Only" section is available to all current members to access items like Meeting Minutes, Dues Renewals online, Membership List, and Member's account settings. In your account settings you can change your password when you need to.

Thank you for visiting and enjoy the ABdFC site!
