

Instructions for Use: The Versatility Committee requires verification from an AKC approved Bouvier des Flandres judge in order to certify that the dog possesses basic breed characteristics. This form provides the necessary information to the Versatility Committee for a 1 point credit in Category I for dogs not participating in Conformation events. Fill in the below listed information and have an evaluator/judge complete the applicable section.

(The Versatility Committee may approve a certification by any AKC Conformation judge in the event a Breed approved judge is unavailable for breed evaluation.)
