VETERINARIAN OF THE YEAR
OFFERED BY
THE AMERICAN BOUVIER RESCUE LEAGUE

Dr. Ben Kyzar
Community Pet Health Center
San Antonio, TX

Dr. Kyzar is the son of an Army Veterinarian. His passion for helping family pets started in middle school while working for Dr. Eric Lange who was a great teacher and mentor to him.

Dr. Kyzar has been vetting and taking care of our ABRL rescue since he was a fresh-faced relief vet for Dr. Lange right out of vet school. After Dr. Lange retired, Dr. Kyzar has been instrumental in the care and wellness of numerous ABRL dogs. He often discounts his services and if possible, treats them free of charge. He has made house calls and connected with many specialists on the ABRL's behalf.

Dr. Kyzar truly cares about each and every dog we bring to him, and he and his entire staff will go out of their way to help the ABRL.

2016 VERSATILE BOUVIER PROGRAM ANNUAL REPORT

The Bouvier des Flandres is a versatile dog and maintaining that characteristic contributes to the health of the breed. The breed's heritage should be apparent in modern dogs.

The ABdFC Board of Governors feels that awarding titles of Versatile Bouvier Basic (VBB), Versatile Bouvier Excellent (VBX), and Versatile Bouvier Champion (VBCh) will help maintain those breed characteristics. These titles are not restricted to heritage venues, although events such as Obedience, Herding, Agility, Carting/Draft Work, Tracking, Service Work, and AKC Working Dog/DVG America Titles will always carry greater weight than non-heritage venues.

The focus of this program encourages Member-Owners to train and enjoy their Bouviers in a variety of ways.

This year, 14 Versatile Bouvier Medallions will be awarded to ABdFC Members and their Bouvier partners.

2016 NATIONAL SPECIALTY MULTI-LEVEL PERFORMANCE (MLP) COMPETITORS

To be eligible for the MLP competition, dogs must enter and compete in at least three of the typically 4 or 5 events offered at the National Specialty. The dog with the highest number of points is the Winner. The second highest number of points is the Reserve Winner.

Trophies are offered for the High and Reserve High scoring dog. The dog may be handled by more than one handler. Points will be awarded for only one class in each of the events. If more than one class is entered, the one with the highest number of points earned will be used. For example, in agility, where a dog could be entered in four classes - Standard, Jumpers With Weaves, FAST, or T2B in a single trial or on two different days, only the single highest score would be counted.

The participants of this year's event wish to extend a heartfelt thank you to ABdFC Member Marilyn Howard for her generous support of this award.

There are 14 MLP teams competing this year:
